Dear Friends,

We at Kalabhumi Arts strive to make true the famous quote by Albert Einstein is "The only source of Knowledge is Experience".

Kalabhumi Arts is an institute where we apply our personal experience to help our students to grow in the field of Art. Our aim is to impart maximum knowledge in the shortest possible time. We have an able faculty and a concise course designed to help you achieve your dreams, be it Fine Arts or varied branches of fine arts such as commercial art , graphic designing, fashion designing, interior designing etc.

We also co-ordinate with other organizations in certain volunteering activities like summer camps or in holding competitions. The various courses conducted at the Institute are given below.
